

# YOU ARE INVITED...

## to Visit Us at the **EISENWARENMESSE**

International Hardware Fair, Cologne  
March 4-7, 2018 • Hall 10.2 • Stand D-58

Contact us if you plan to visit the fair, and let us know when we can expect to see you at our stand.

## LEARN ABOUT OUR INNOVATIVE TOOLS, Such as the 35mm Hinge Boring Bit with Depth Stopper.

### Simple & Unique!

Our adjustable Aluminum depth-stop allows control of depth of blind holes when recessing circular door hinges. Prevents from damaging the door. Simple depth control.

See Page 15 of our Catalogue for Details →
